**REPORT**

**ENGLISH COMMUNICATION CLASSES**

English Communication Skill classes were conducted by Swami Vivekanand career guidance cell from 1 July 2022 to 31 August at room no. 141. Dr. Indira Javed and Ms. Neeta Shrivastava were the subject experts of these classes. The students learnt effective communication in English as it is very important job skill and it grooms their personality also. In the beginning of the session everyday students had to introduce themselves to the class in English and the students did different activities related to the program for developing their skills. Ms. Neeta Shrivastav suggested the students to read English news paper and to watch English program broadcast DD news channel. About 31 students of the college got benefited from the classes everyday. This session of communication skills boosted the morale & self confidence of the students.

*( not more than 200 words)*

A one-day class/seminar was conducted by Kajal Singh (ex-student, PhD scholar, Barkatullah university) on Plant Nutrients and their functions on 10.02.2023 in the Zoology Department. The class was conducted for B.Sc. II Year students under their vocational course on "Process of organic farming".

Different types of plants nutrients were discussed along with their classification, chemical structures and their uses in the plant system.

The resource person also highlighted the various diseases caused due to lack of or over absorption of major phytonutrients. Ways to identify the diseases and their remedies were also discussed.

At the end of the lecture doubts were entertained and presentation was shared with the students for future reference.

A one-day class/seminar was conducted by Swati Bardiya (alumni, PhD scholar, Barkatullah university) on Biofertilizers on 13.02.2023 in the Zoology Department. The class was conducted for B.Sc. II Year students under their vocational course on "Process of organic farming".

Various problems related to traditional agricultural practices were discussed, highlighting the need for sustainable agriculture and how biofertilizers can come to rescue the falling productivity of lands and soil health.

The resource person explained the chemical basis of biofertilizers, throwing light on their types, need, advantages and disadvantages. The detailed application process of both dust and liquid based biofertilizers was discussed to make students aware about the practical handling of the content.

At the end of the lecture doubts were entertained and presentation was shared with the students for future reference .
