

SAROJINI NAIDU GOVERNMENT GIRLS POST GRADUATE (AUTONOMOUS) COLLEGE, SHIVAJI NAGAR BHOPAL

POLICY FOR E- WASTE MANAGEMENT

E-Waste Management Committee of SNGGPG College, Bhopal is established to minimize generation of E-Waste, prevent and control E-Waste and provide guideline for E-Waste management. The committee functions with the core objectives of upholding and uplifting the mission of the college.

The members of the committee carry out functions that are relevant within the scope of the committee by continuously monitoring and enforcing the guideline drawn by the committee.

The E-Waste management policy is underpinned by E-Waste management rules 2016, as indicated by the government of India.

POLICY OF E-WASTE MANAGEMENT

The policy shall cover the following steps to be taken systematically in respect of the E-Waste generated by the student of the college.

- a) Our endeavour shall be to minimise generation of E-Waste to the extent possible by motivating the students to make maximum use of the E-devices owned by them and by not indulging into frequent change of the device used.
- b) The institute shall facilitate adequate number of installation of 'E-Waste Collection Boxes' in its premises at proper places of the campus. These collection boxes shall conform to the provisions of the Government's policy regarding treatment of E-Waste.

- c) When the device is rendered totally inoperative, it should not be left lying unused in some corner of the home, it should be deposited by the student in one or more of the 'collection boxes' installed in the institute for this purpose.
- d) All the 'E-Waste', so collected in these boxes shall be handed over to the organisations specially carrying out the task of its recycling and reprocessing, in a manner authorised by the Government.

Our object shall be to educate all the students about the importance of proper and systematic disposal of the E-Waste generated by them not only during their stay in institute for studies but also after leaving the college for getting settled in different walks of life.

FUTURE PLAN

The college has future plan to sign MOU with E-Waste recycling units for disposal of the same so that there is no accumulation of such waste at the college level.
