Principal's Message

Greetings for the New Session! “The Highest education is that which does not merely give us information but makes our life in harmony with existence.” It is with this spirit that Sarojini Naidu Govt. Girls PG College has been striving in the pursuit of excellence since its inception. Our journey which began in 1970, is adorned with triumphs and victories, laurels and milestones, as well as challenges and obstacles. Our Endeavour for excellence has been recognized in the form of awards and accolades. In 1996, the college was granted autonomous status by the UGC. In 2017, it was accredited with an ‘A’ Grade by NAAC. Another fruitful session has taken us closer to our desire goals and making us proud of our academic growth. The various academic programs are related to all streams which will help students to shape up successful careers, and also help them to confront and acquire solution with new approaches. This year the students have achieved excellent results in all streams reaffirming our faith in our ability and potential. The Co-curricular and extra-curricular activities at the college remain its life source. Seminars, workshop, conference, films and cultural shows help in widening the mental horizons of our students. This provides a bridge to cross over to the professional world. An emphasis on research, collaborative learning and internship with higher learning institutions, open up the vistas of knowledge and the learning process becomes interesting and exciting. We strive to make learning a stimulating experience by proving an enabling ethos to young women who can make a difference to the world. The Staff put in the best of its efforts to have a symbiotic relationship with the students. I also congratulate the entire College community for their dedication and commitment in this challenging journey of fifty fruitful years.

Dr. Rajni Shrivastava
Principal

Role of Internal Quality Assurance Cell (IQAC) in academic audit and initiating quality assurance strategies and processes

IQAC is the significant administrative body of the institution responsible for all quality matters. It initiates plans and supervises various activities that are essential to increase the standard and quality of education imparted in college.

Role of IQAC in academic field is to help the college to introspect and improve their quality and conduct activities as a measure to expedite its quest for quality work. The strategic plan made by IQAC in the beginning of the session helps the Institution in implementing and achieving the institutional goals and objectives.

Milestones laid by the IQAC are:

- Regular conduction of Faculty Development Programs
- Developing Industry-Academia Interface.
- Skill oriented training programs for students.
- Build positive attitude towards use of technology.
- Emphasis on interdisciplinary research.

Innovations & Best Practices

The cultural ethos of the institute and its surrounding community place a high importance on gender sensitivity, as evidenced by the amenities offered, including security, common areas, fitness, counselling, and many more. The institute conducts programs that guarantee student engagement in advancing gender equity.

The college is committed to protecting the environment and upholds its environmental policy, which aspires to sustainable development through waste reduction, rainwater harvesting, a clean/ green campus, and energy conservation. A System capacity of 60kwp Rooftop Solar Power Plant under RESCO project was set up which is running successfully. College also hosts activities like seminars, webinars, workshops, lectures, and other events where students can actively engage and learn about sustainability practices. The institution offers a welcoming environment for people of all diversity and harmony. The college offers a graduation curriculum in four languages, reflecting the diverse society of India. Green activities

Solar energy

- System capacity of 60kWp Rooftop Solar Power Plant under RESCO project was set up which is running successfully
- A monthly bill of Rs.1, 21,000 has been reduced to 65,851.
- Solar Power Plant for newly constructed building is under process
- MOU has been signed with Azure Power Roof Top Five Pvt Ltd for the maintenance of Solar energy generation system.

Wheeling to the Grid

- Excess (surplus) solar energy generated by rooftop solar modules is exported to the grid of
- Electricity distribution utility of Azure Power Roof Top Five Pvt Ltd. From where it is transferred to MPEB from where direct saving in electrical bills are available on monthly basis.

Sensor-based energy conservation

- *The overhead storage tanks are provided with sensors/alarm to prevent overflow during lifting of water from the sump well by the motors. Thus, helps in reducing the consumption of energy.*

Use of LED bulbs/ power-efficient equipment

- *The institute has already implemented various measures regarding conservation /alternative use of energy viz. using LED bulbs and power efficient equipment, solar panels etc.*
- Strict instruction to switch off the electric equipment after use.
- Glass windows in the classroom facilitate the maximum utilization of natural light.

Solid waste management

- The college encourages the process of eco friendly waste disposal method.
- In the common areas there are single bins kept, the bins are using black liners for waste collection.
- Maximum waste generated is recycled and reused
- The reduction of paper waste because by implementing paperless policies we were able to: save money, reduce waste.
- all housekeeping staffs are trained to segregate waste at source before the waste is dumped for disposal
- The college also generates a huge amount of Garden waste which is mostly in the form of leaves which is deposited in separate chamber and composted to form manure and used for organic farming
- The other paper wastes are sent out through our regular scarp vendors.

Liquid waste management

- The waste chemicals mixed water from laboratory passes through concealed pipe line into soak pit.
- Liquids are diluted by getting mixed with the washroom and toilet liquid wastes in to the

SWOC Analysis

SWOC (Strength, Weaknesses, Opportunities and Challenges) analysis is a framework used to evaluate institution's competitive position and to develop strategic planning

1. STRENGTH

- Effective and motivating leadership
- Qualified, experienced and dedicated teaching faculty.
- Good governance and effective office management.
- Good infrastructural facilities.
- Effective use of ICT in teaching learning process.
- Student centric functioning with mentoring.
- Active NCC and NSS unit
- Safe and secured environment for girl students.

2. WEAKNESS

- Insufficient space for further augmentation of infrastructure.
- Less number of research projects
- Less Industry – Institute interaction
- Involvement of Alumni at Institution level is less
- Moderate placement ratio

3. OPPORTUNITIES

- Scope for interdisciplinary research projects.
- Scope of improvement of digital literacy amongst students.
- More utilization of alumni for quality enhancement of college.
- To arrange specialized training programs for faculty.
- Introducing more skill oriented courses to increase employability.

4. CHALLENGES

- Girl students with varied socio economic background.
- Strengthen Industry – Institute Interaction.
- More placements in core companies
- Networking and strengthening relationships with stake holders.
- Encouraging students for competitive examination and higher studies.

Annual Report Year 2022-23

Augmentation of Infrastructure

- With the help of World Bank Projects 13 new class rooms are under construction.
- Renovation and repairs of Autonomous Exam Cell under RUSA completed.
- Renovation of College Auditorium completed.
- Electrification, wiring of the class room office and corridors etc are under process.
- Solar panels has been installed.
- Roof top water harvesting installed.
- Renovations and repair of toilets completed.
- Repairing of class rooms, their ceiling, windows etc completed.
