Nothing

None

Facilities

Practical instruments uplabdh kraye jaye 100%placement sel

Needs lots of effort

Do co operate with students

Very need for improvements... practical nahi krwaye jate hain, bs practicals ke naam pe files complete krwayi jati hain khud se..kabhi practically nhi krwaya jata hai..Hindi me content nhi milta jisse Hindi medium ke liye kaafi jyada problems hoti hai jisse exams me or result pe iska effect pdta hai.

Student improvement in study

Teacher improvement student

Teachers understand student problem pls

Good improvement to college education

Achha

All facilities are very good

Good

All is good

Change uniform

अच्छा वातावरण

N/A

no such improvements required

There should be more field work.

Regular classes should be held on proper time

Guest teachers should be hired.

Some teachers do not take foundation subject classes (like entrepreneurship development) those classes should be taken on time

Digital education

Students had waste their time in standing long queue for small small things like collection of no dues, paying fees, etc

And even just for asking a single piece of information we have to go from one department to other

This should mandatorily be improved

Teachers should be polite and responsible and should answer our questions rather than insulting our parents.

Clean toilets

Improvement in education requires more

Dress change kar dena chahiye

Nothing all things are already .

Drees change ki jaye college ki

You should change the uniform of college students.... Maximum students feels low confident after wearing it .

Satisfied

We have to wait too long to get single document done and be in long lines which is difficult , as there are so many students .

Bahut aacha

Weekly test

पुस्तकालय में आवश्यक पुस्तकों की पूर्ति की जाये

More motivation in faculty towards inclusive and current based teaching.

All good

Course ko thoda change Kiya jaye

Field visit

Laboratories chemicals, instrument are required .

More focus on practical knowledge must be given in the lab

Aur adhik sudhar

Provide notes , more practical work and also other activities related to our course that would be helpful increase our knowledge

no

Good

Fix Timing and day maintain for all class

Sab sahi hai

Available the New Books in library for 2023

Scheduled classes at appropriate timing.
Paying at individual performance of students and topics.

Sahi he sb

Nothing all is better

Leb me cemikal nhi hai or leb me bohot si chize bhi nhi hai

Time related

I would like to suggest please invite the company and the organisation for the placement in my college.

Bio chemistry lab banai jaye or instruments available hone chahiye for practical experience

Vocational subject ki classes daily honi chahiye

No problem

Nothing to improve

Library earlier opening

Need practical materials

Timetable of the exam is not satisfactory. Annual examination had a wide gap and they running more than two months .which need to be changed.

समस्त विद्यार्थी की बातों को प्रेम पूर्वक समझा जाए।

Nai teacher ki bharti bahut kam teacher hai

Biotechnology lab should be there in the college

Added more subjects in our college

College ka renovation jaldi ho jaye

By giving more opportunity

More and more activities of women empowerment

Sab achha he

Keep it up.

Educational tutors

Time management . discipline.

No I don't have any problem

Teacher student ko her information ko ache se bataye

Improve Teaching Methods

Faculty attention to students is most important and provide correct notices at correct time

Job opportunities

Library me biotechnology se related new books honi chahiye (Hindi me)

1. Plant more trees in the garden of college.

Computers in lab should be improve.

Classes of some subjects started after many days and sometimes classes were not held, our time was wasted.

No improvement

-

Everything is good, better than my expectations

In every year, computer classes are conduct very late that's why we do not learn too much in computer classes, please at that time please conduct computer class in the starting of the year
